TOWN OF ALTA OVER-SNOW VEHICLE REGISTRATION

Town of Alta Ordinance 11-344 (Q) and administrative requirements for issuance of a registration decal require that;

- 1- Over-snow vehicles must be registered with the Marshal's Office and that a decal supplied by the town be prominently displayed on the windshield of the registered vehicle.
- 2- Over-snow vehicles may not be used for recreational and pleasure purposes and may only be operated for legitimate business and residential travel.
- 3- Snowmobiles must be equipped with an orange safety flag and operational headlights which must be activated during use. Snowcats must be equipped with at least one yellow or orange rotating/flashing light visible in all directions, and one horn, buzzer, or like device audible in all directions..

Owners/operators of over-snow vehicles are subject to all regulations of The United States Forest Service, Salt Lake City Watershed, the State of Utah, and agreements with the Alta Ski Lift Company which include but are not limited to;

- Off-highway vehicle registration with the Department of Motor Vehicles/State Tax Commission.
- Time of operation and route designations.
- Insurance.
- Speed Limits and accident reporting.
- Proper maintenance of vehicles and clean up of spilled fluids.
