

MARSHAL'S REPORT
November 11-December 10th, 2009

Misc. Duties

151 business, ski rack and property checks
3 motorist assist calls
1 watershed enforcement
10 traffic violations
13 alcohol enforcements
2 outside agency assist calls

November 16th, 2:18pm- An alarm was investigated at a Grizzly Gulch residence.

November 24th, 6:30am- Interlodge was put into effect for the Town of Alta for test firing of avalanche control weapons.

November 26th, 10:12pm- A highly intoxicated male was found lying in the middle of the highway by the deputy on duty. After verifying the man was not in need of medical treatment, he was transported to one of the lodges where arrangements were made for co-workers to look after him. A follow up to this incident was conducted at one of the local bars.

November 27th, 3:40pm- A pair of rental skis reported stolen were located by the deputy on duty. No theft had occurred, the renter apparently was confused as to the location he had left the skis at. They were returned to the rental establishment.

December 4th, 4:46pm- A minor traffic accident was investigated in one of the parking areas along the highway.

December 5th, 10:30am- Another minor accident was investigated in the same area. In both cases, icy conditions were present. No injuries occurred in either crash.

December 8th, 7:30pm- The Marshal assisted the Sheriff's Office in locating a driver that had abandoned his vehicle after an accident in the lower canyon.

December 9th, 3:00pm- The deputy on duty assisted the Sheriff's office with a traffic accident in the mid-canyon.
