

MARSHAL'S REPORT
October 8th-November 10th, 2009

Misc Duties:

96 business and property checks
3 motorist assist calls
2 watershed enforcements
2 outside agency assist calls
10 traffic enforcements

- **With the first bit of snow on the ground, “jibbing season” started in Alta. If it can be skied on, ridden on, jumped on or off, it has been. Several enthusiastic individuals have been “talked down” from roofs, ledges, towers and other manmade structures not belonging to them.**
- **October 10th, 9:48 am- A driver was detained after a report of the occupants of his vehicle intimidating bicyclists in the canyon.**
- **October 14th, 8:48 pm- An alarm was investigated in the Hellgate area and found to be false.**
- **October 22nd, 2:04pm- A hiker with minor injuries was assisted along the Albion Basin road. Earlier in the day, the deputy investigated an ongoing civil dispute.**
- **November 8th, 11:45am- The deputy on duty responded to the Grizzly Gulch area regarding a malfunctioning alarm. The homeowner was notified and corrective actions were taken. At 12:35 pm, the Unified Fire Authority extinguished a car fire in the Upper Albion Parking area.**
- **REMINDER: Winter parking restrictions are now in effect. Please contact Alta Central if you have any questions regarding overnight parking.**
