**August 13<sup>th</sup>, 5:25 pm-**        **A report of trespassing and cutting trees was investigated at an Albion Basin property. It appears that utility crews may be responsible for some of this activity and concerns as to whether campground activities are encroaching onto private land are being addressed .**

**August 16<sup>th</sup>, 9:54 am-**        **A suspicious vehicle was reported on the Bypass Road. The vehicle ended up being registered to an Alta Resident. At 3:40 pm, a Search and Rescue operation was conducted in Patsy Marley area. A woman with a broken ankle was assisted and transported to a local hospital.**

**August 17<sup>th</sup>, 11:10 pm-**       **Another suspicious vehicle was reported in the Hellgate area. A carload of juveniles were contacted by the deputy on duty and released.**

**August 18<sup>th</sup>, 5:00 pm-**        **Weird call of the week; Deputy Bolen responded to the lower Albion parking lot on a reported watershed violation. Upon arrival, he found a man with a miniature horse (yes, just like the ones at the circus) in the front seat of his vehicle. Apparently, the man was just wanted to take his mini-horse for a drive when it became evident the animal needed to relieve itself. Not being equipped for the moment, the man inappropriately disposed of the waste on Alta Ski Lifts property. Deciding that he was receiving WAY TOO MUCH information, Deputy Bolen terminated the contact with a citation and sent the man, horse, and bag of goodies down the canyon.**

**August 22<sup>nd</sup>, 4:30 am-**        **An extremely intoxicated, profane and less than cooperative “guest” of a cabin owner kept most of the Albion Campground awake all night. A citation was issued.**

**September 2<sup>nd</sup>,-**               **A quantity of marijuana plants being cultivated in town were discovered. Persons interested in claiming them are encouraged to contact the Marshal's Office.**
