

The Town of Alta is seeking a good part time shoveler

Job Description:

1. Shovel the following areas after every snowstorm, starting at 7:30 a.m.: roof, deck and entry to Alta Central, two windows at Alta Central, entryway to town office building - both floors includes general snow removal of area between Alta Central and town offices. Create and maintain steps on pathways to buildings. Post office entryway and roof (entire sloping east roof) and the recycling area.
2. During particularly active storm cycles, general up-keep of the areas above may be necessary in addition to regular snow removal.

Physical requirements:

This job involves manual labor: lifting heavy snow with shovel; pushing snow to level areas using snow scoop; maneuvering, moving, and operating a snow blower. The employee will be working in all kinds of weather. The employee should be able to withstand heights and will be working on two roofs with security equipment provided by the Town. Training will be provided.

Hourly wage: \$12 per hour.

This job is available for the 2011-12 winter season only, beginning around November 15th and extending through April 2012. Applicants should apply to Kate Black at the Town Office as soon as possible.

THE TOWN OF ALTA IS AN EQUAL OPPORTUNITY EMPLOYER.
